

Update – December 2005

Well, the Aglow International Conference held at Opryland Hotel here in Nashville was quite a happening! Jane Hansen, the International President, had invited Asher Intrater to speak twice. I spoke once. Israel and what I call the "Israel Lightning Rod" was well represented. We are expectant to see how the mandates imparted will manifest and impact the Lords work in the Land as this prayer movement from the nations begins to add their incense to the bowls!

As I mentioned in the last update, Gospel Light Regal made my new book, "God's Promise and the Future of Israel – Compelling questions People Ask about Israel and the Middle East" available as a pre-release for the conference. We were able to get over 1000 copies in the hands of those interested.

As a result of the Aglow conference, we still have several hundred of the new book that we can distribute before the planned release date in mid January 2006. We'll be glad to send it to you at a cost of \$15 which will include tax and postage. Just mail us a check and we will get them right out to you. If you want multiple copies, or possibly a case or ½ case (56 or 28 books) to make available to your congregations or ministries, you can email admin@calebcompany.com and we will quote you a price.

I will tell you about the lay-out of the book below. This will help you know whether you would like us to send you a copy.

Yet first I would like to say again, we are always grateful for your interest and participation in the things the Lord continues to put before us. I am currently in Dallas with some Kingdom business people who are going to be sowing into an economic blessing to the people in Israel and am continually in awe of how far reaching God's character and power are extending!

I will be speaking at Belmont this weekend then flying to DC next week to be with the YWAM 'WAVE" team as they close out their 50 state movement across the nation. Then off again to Dallas for a Tikkun meeting and then home for the rest of the calendar year and much of January.

As wonderful as it is to be a part of the many things the Lord is doing around the world, it is always the most special being with my family and I am especially looking forward to that in these next weeks. May you and your families also enjoy this time together as you enter into this new year – may it be the best one yet! Blessings in Yeshua! Don

Now about the book:

The title is "God's Promise and the Future of Israel" with a sub-title "Questions People Ask about Israel and the Middle East."

Part I contains six chapters around the subject: "The Time Has Come!" and contains the message I have often brought about today's intersection of God's Promise with God's Timing.

Chapter 1 – Biblical examples of Promise and Timing intersection

Chapter 2 – the 1948 birth of the nation as one of those intersections prophetically

Chapter 3 – the 1967 taking of Jerusalem as another intersection, as predicted in Luke 21

Chapter 4, 5, and 6 – Three things that have happened as a result of this and as a fulfillment of this intersection

Chapter 4 – Jewish eyes opening to their Messiah

Chapter 5 – Nations long in darkness awakening to this Jewish Messiah as Redeemer of the nations

Chapter 6 – The church coming alive to the Hebraic roots of their own faith

Part II is the "Questions People Ask about Israel and the Middle East

Chapter 7 – What about the Arabs?

Chapter 8 – Does the Land still belong to Israel?

Chapter 9 – Is there a literal reign of Jesus upon the earth?

Chapter 10 – What do Messianic Jews believe?

Chapter 11 – What does it mean for a church to embrace her Jewish roots?

Chapter 12 – How are Christians to respond?
